

Conference: AIAA SPACE 2016

Session: PSTR-09, Space Transportation Posters

Abstract Title: Electronic Nose Cone Separation Ring (eNSR) for Deployment of Rocket Recovery Parachute

Control ID: 2491540

Submission Deadline: August 18, 2016 at 8:00 PM Eastern Time

On behalf of the American Institute of Aeronautics and Astronautics (AIAA) and the Organizing Committee of the AIAA Space and Astronautics Forum and Exposition (SPACE 2016), it is our pleasure to welcome your participation in the technical program as part of the poster session program.

The forum Technical Program Committee organized the poster sessions to give your presentation maximum exposure to conference attendees and the session will be highlighted and promoted as "must-attend" event. You will have one scheduled opportunity to interact with the AIAA SPACE 2016 forum attendees and present your paper during the Opening Reception and Poster Session in the Exposition Hall. Please make sure that you are available to present your poster during the Opening Reception and Poster Session, Tuesday, 13 September, 1930 – 2100 hrs. In addition, your final manuscript will be published in the conference proceedings if uploaded by the final manuscript deadline of 18 August.

Poster Specifications

Poster boards will be oriented horizontally. They are 40 in. x 45 in. Tape and thumbtacks will be provided for mounting the poster or collection of PowerPoint slides to the poster board. Please note that tables, electrical access, and audiovisual equipment will not be provided for the poster sessions.

On-Site Requirements

Please bring your poster or printouts of your 8 ½" x 11" landscape-formatted PowerPoint slides to the Exhibition Hall, located in the Grand Ballroom of the Long Beach Convention Center, Tuesday, 13 September, during the hours of 0915-1230 hrs and 1430-1730 hrs,. You may want to attach your business cards or contact information to your poster, so that interested attendees may contact you with questions after the conference.

Thank you again for your participation in AIAA Space and Astronautics Forum and Exposition (SPACE 2016). You can view the conference program and all event details online at <http://www.aiaa-space.org/>

Best Regards,

Ann Ames

AIAA Technical Papers Coordinator
